

'Observations' painter observed

BOB SHANLEY/Staff Photographer

DELRAY BEACH — Artist Dana Donaty works on a 12-foot-by-75-foot mural titled *Observations* on Monday in a donated warehouse at Camilucci Signs. The painting, inspired by the plants and

wildlife at the Arthur R. Marshall Loxahatchee National Wildlife Refuge, will be installed on the north wall of the Delray Camera Shop. The work is funded by Pineapple Grove Main Street.
